Users Newsletter

Summer 2003

## Newsletter raises profile of Hall

Welcome to our new St Cyrus Public Hall Newsletter. We hope that it will provide information on upcoming events both within the hall and the community.

Following the recent renovations of the hall, thanks to a grant from the Community Fund, we hope that the hall will continue to be a focal point in the village and in raising its profile will reach maximum usage to benefit the community and the user groups. In doing so we hope to keep charges to a minimum as well as ensuring the ongoing maintenance of the hall.

We aim to issue our Newsletter quarterly and if you have any suggestions or would like to contribute to the Newsletter please contact a member of the committee or leave any item for the committee's attention at the hall.

Thanks to all who have taken the time to contribute to this issue.

Elizabeth Tuck, Chairperson

## **Free**

Since 2002, a simple (but not simplistic!) meeting has been held in the Hall on the first Sunday of every month. It includes prayer, a cappella singing from the psalms and reading and learning from the Bible. The aim is to provide contemporary teaching of the Christian faith so that people leave with a clearer knowledge of how God relates to our lives – theology graduates from the Free Church College, Edinburgh, have taken part. People from all different denominations (and none) are welcome. In addition, informal Bible studies/discussion groups are held locally by arrangement and our summer activity week includes café, kids club, football training and topical theme nights for adults.

Upcoming activities –

Summer – 24–31 July (see local notice  
Activities boards)

Meetings – 27 July (special summer service,  
no service 6 July), thereafter first  
Sunday of each month (all 3:30pm)
